3. Definition:

"6030030 Slip Approve": Form is where user can review slips and approve one or many slips.

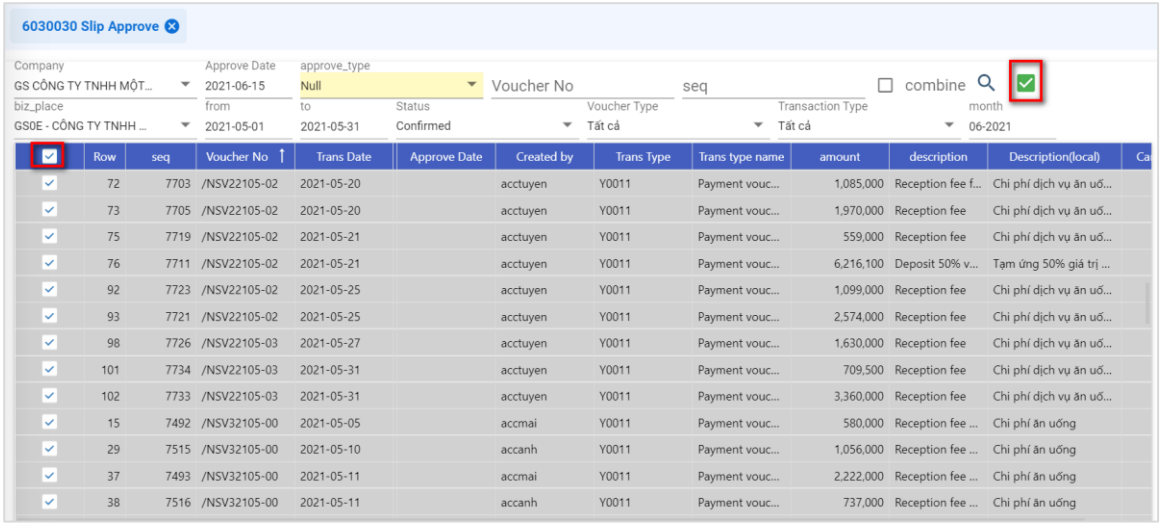
"Slip Approve": Searching criteria as: Company, Period date, Voucher Type, Slip Status is Confirmed, Trans Type, Seq.

Slips after approved if slips are payable then payable will display to Payable list

Slips approved then staff cannot cancel by themselves. Staff inform to Chief accountant or higher authority to cancel in Slip cancel form.

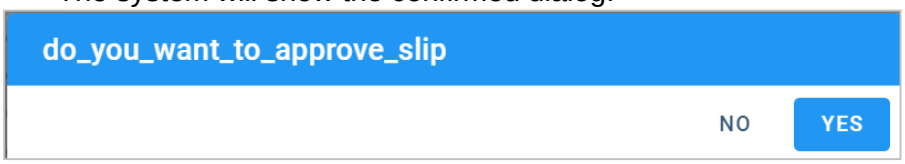
4. How to use:

- Button search: user choose Company name, Approve Date, Voucher Type, Seq, Slip status, Trans Type
- Button: when user press this button, user can choose all rows. After press button so the form will show as below:



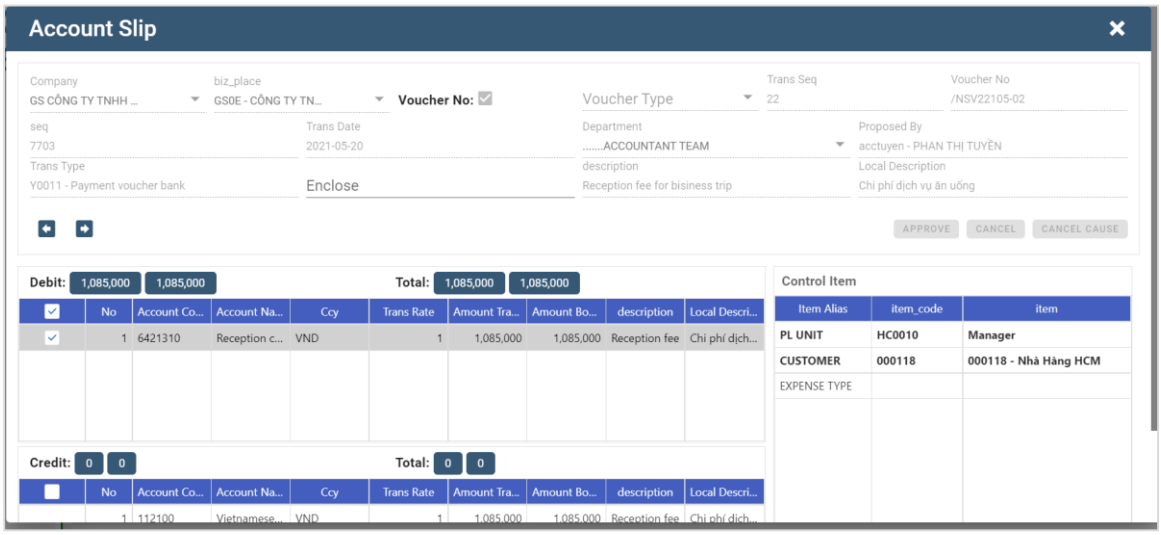
- Button : Firstly, user click at row of that voucher then you test voucher's information. User click to approve, voucher's status move from Confirmed to Approve.

The system will show the confirmed dialog:



User clicks the YES button to approve, if doesn't approve, user clicks the NO button to close the confirmed dialog.

Double click row to review information



Note: user just approve slips which are confirmed.
